

JOB BOARD INFORMATION

INTERESTED IN HIRING SOME OF THE BEST PAS IN CALIFORNIA?

CAPA represents all PAs in California and directly serves approximately 3,000 with career support services. We have an Employment Opportunities web page that presents available PA positions to the 13,000 PAs throughout California.

I am sure you regularly seek the best healthcare professionals, specifically, Physician Assistants and the California Academy of PAs (CAPA) would like to assist with that. At CAPA, we've found that most California PAs wish to remain in California. If you are looking for quality local candidates, I encourage you to consider CAPA in your recruitment efforts. Thank you for your time!

PRICING

For **\$180**, each job opportunity is posted on CAPA's website for 30 days, spotlighted in CAPA's social media and monthly e-newsletter, and reposted in CAPA's quarterly print publication - resulting in more than 9,000 combined total impressions.

CAPA also provides an unlimited posting option for **\$1,200** annually. There are absolutely no posting restrictions to the annual subscription. Like our per posting package, all postings through the unlimited package will receive the same spotlights and 30-day placement on CAPA's jobs page. For larger medical systems that sometimes post multiple jobs in one month, this option has proved to be a great cost saver.
